Forecast For Northeast England
Issued by Met Office Exeter
at 1600 on Thursday 15 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Dry but becoming increasingly hot over the following days.

This Evening and Tonight:
A fine end to the day with plenty of evening sunshine followed by a largely clear night. A slight chance of mist and shallow fog patches forming in some rural spots before dawn. Minimum temperature 13 deg C (55 deg F).

Friday:
Early mist and fog patches quickly dissipating to leave another fine and dry day, with plenty of sunshine. Some light winds, feeling warmer than on Thursday. Maximum temperature 26 deg C (79 deg F).

Outlook for Saturday to Monday:
Dry with plenty of sunshine over the weekend, feeling very warm by day inland. Turning cloudier with a chance of showers on Monday, especially in the afternoon.
